

STALLS VERDANT WITH GREENS IN CENTER MARKET

Vegetables and Berries Flood
In From Nearby States at
Low Prices.

Greens rained into Center Market today from nearby Maryland and Virginia, in advance of a big spring market day tomorrow.

One of the chief topics of conversation in the market was the arrival of scores of crates of strawberries from Norfolk, priced at from twenty-five to thirty cents a box. North Carolina berries are still holding their own at lowered prices, similar to the tags on the Virginia products.

Asparagus sells for forty cents a bunch, and spring onions perfume the air at ten cents for three bunches. Spinach blooms verdantly at fifteen cents a pound, kale at five cents, fresh green peas at fifteen cents and string beans at thirty cents. Six cents a pound is the average quotation on cabbage, with lettuce awaiting induction into salads at ten cents a head. Ruddy radishes retail at three bunches for a dime.

Apples may be bought for ten cents a pound and oranges at thirty-five cents a dozen. Most of the fruits and some vegetables are still coming from Florida and other warmer climates.

Chickens are selling variously at from forty cents a pound to eighty cents for the fanciest kinds. Eggs are selling for thirty-five cents a dozen. Butter is priced from forty to fifty-five cents a pound. Smoked and fresh meats of good quality average thirty-five to forty cents a pound.

What Time Is It?

Have you ever been asked that question in camp only to find that your watch had stopped? It's an embarrassing situation. The next time you go for an outing be prepared. Take along an ANSONIA SUN WATCH. It will serve you faithfully and well. There are no moving parts to get out of order. It's the greatest little novelty for Sportsmen and Boy Scouts you have seen. The price is only \$1.00 and it will permit you to leave your expensive watch at home.

LOCA HEARNE ENTERS FAMOUS AUTO "GRIND"

Howard Wilcox and Loca Hearne.

Pretty, brown-eyed Bebe Daniels, of film fame, had better look to her laurels. The original "speed girl" steps forward at Indianapolis and challenges Bebe to "step along" in her poky old car. At Indianapolis, on May 30, the speediest racing drivers on earth will compete in the annual sweepstakes race. Braving the dangers of the bowl will be Miss Loca Hearne, who thus will earn the distinction of being the only girl ever to drive a car in the championship sweepstakes. Howard Wilcox, noted racer, is training her.

ISADORA DUNCAN TAKES RUSS BOY POET FOR MATE

PARIS, May 5.—Isadora Duncan, founder of the barefoot dancing cult, in which thousands of young women of classical leanings have found their way to "self-expression," has been married in Moscow to Serge Esenin, foremost of the younger generation of Russia's imagist poets.

Esenin is twenty-seven and Miss Duncan much older.

Early in her career Miss Duncan was secretly married to Gordon Craig, son of Ellen Terry. This was in 1906. It is understood, although no record of the nuptials ever has been brought to light.

Last year Miss Duncan was named in an alienation action by the wife of a man whose affections she was alleged to have "pirated."

At that time Miss Duncan was conducting a school of Greek dancing in Paris with the backing of a millionaire. When this support was withdrawn she went to Moscow. Not long since a story reached America of how she had danced, bare of foot and limb, while Nicolai Lenin beamed approvingly.

Mr. Broome was United States commissioner and representative of New Jersey as commissioner of ceramics to the Paris exposition in 1878. He was also known as an author, lecturer and inventor. He wrote and lectured on art and educational subjects.

W. E. MASON'S DAUGHTER NAMED TO SUCCEED HIM

CHICAGO, May 5.—It was indicated today after a check of official Cook county figures and the unofficial down-State figures of votes cast at the recent Illinois primary, that Mrs. Winifred Mason Huck has won the Republican nomination for Congressman-at-large to fill the vacancy caused by the death of her father, William E. Mason.

Her closest competitor is Stephen A. Day, of Evanston, and not John J. Brown, of Vandalla, as was thought from an earlier count.

HARDING'S SHIP ACT CONDEMNED AS 'GOLD BRICK'

South Dakota Woman, Candidate for Governor, Flays Subsidy Bill.

By International News Service.

The Harding-Lasker ship subsidy bill struck a snag before a joint congressional committee yesterday when Miss Alice Lorraine Daly, woman candidate for governor of South Dakota, flayed it as a "gold brick" to the farmers.

Declaring a majority of farmers were opposed to the measure, Miss Daly said it was "so unbusinesslike that even a woman is impressed."

"This bill is a gold mine for the shipping interests," she added. Miss Daly, who is a member of the Non-Partisan League, spoke in behalf of western farming interests.

MAN DOING WASHING TAKEN FOR BURGLAR

INDIANAPOLIS, May 5.—Neighbors detected an unaccustomed light in the basement at the home of I. W. Beade and summoned the police.

The police came and swooped down upon the cellar and found, not burglars, but Beade himself.

Beade was not making home brew. He was helping "the missus" with the family wash.

STANDARD OIL NOT AFTER RUSS FIELDS, CLAIM

Bedford Says Company Has No Agreement With British Petroleum Interests.

By International News Service.

The Standard Oil Company is not a participant in any deal negotiated between British oil interests and the Soviet Russian government for the exploitation of the vast Russian oil fields, A. C. Bedford, chairman of the board of the company, declared here today.

Bedford denied that the Standard Oil Company is seeking to re-enter Russia at this time and said that it was not represented at Genoa and had refrained from entering into any agreement with British oil interests for control of the Russian petroleum output.

FIVE DOLLARS DOES BIG WORK AT LOCAL NINTH ST. STORE

Friedlander Bros., of 428 Ninth St. N. W., Offer One-Price Trouser Event

Friedlander's trouser sales are famous events in Washington—each succeeding one eclipsing all others in value-giving.

Tomorrow morning we inaugurate one of the most sensational trouser sales of our career. Instead of a group of three or four prices we are offering a selected group of about one thousand pairs of high-grade trousers that regularly sell as high as \$8.50—at \$5 a pair.

In this one thousand pairs you will find an assortment of patterns and weaves so mammoth as to include practically every fabric creation popular at this season. You thrifty men know what that means. Now the odd coat which is hanging idle in your wardrobe can be matched with a brand new pair of

trousers at the small cost of only \$5.00. Of course, we don't claim to match every odd coat perfectly, but we can come nearer to matching it than any other store in the city.

This one-price trouser event is distinctly new with us, and if it goes over big you can expect many more such offers from Friedlander Bros. A thousand pairs is quite some few trousers, but when the thrifty men get wise to the tremendous values offered—they will be flocking to our store in hundreds. Take our tip and get down here early tomorrow morning, while the selection is most complete. The name is Friedlander Bros.—the address is 428 9th street N. W.—the reason is one thousand pairs of high-grade trousers—the attraction \$5.00 a pair.
